

International symposium on

# Mitochondrial Biology and Disease

Date: December 7 (Fri), 2018, 10:00 ~ 12:00

Venue: Chikusui Kaikan, Kurume University

## Speakers:

Koji Okamoto (Osaka Univ., Japan)

Regulation of mitochondrial clearance via ER factors

Ye Tian (Inst. Genet. Dev. Biol., CAS, China)

Wnt signaling mediates intercellular mitochondrial stress response

Hiromi Sesaki (Johns Hopkins Univ., USA)

Mitochondrial dynamics in fatty liver disease

Tadato Ban (Kurume Univ., Japan)

Elucidating molecular mechanism of OPA1 mediated mitochondrial inner membrane fusion
